

# World Biodiversity Forum

An Open Science Conference to Explore the Future of Biodiversity

23 – 28 February 2020, Davos, Switzerland

## Presenter Guidelines – Poster Presentations

### Poster Sessions

Posters are on display in the hallway for the duration of the conference. Dedicated poster sessions are scheduled for:

**Tuesday, 25 February, 12:45 – 14:15**

**Wednesday, 26 February, 14:30 – 16:00**

**Thursday, 27 February, 12:30 – 14:00**

Each poster will be given a poster number, e.g. 158\_06\_217, consisting of the session / workshop number, poster board number and submission ID.

There will be a list of posters displayed at the entrance of the hallway, helping you to find your poster number and correct poster board.

### Poster Format

The **poster format is A0 portrait format (841 mm wide x 1189 mm high) only!**

Bigger posters or posters in landscape format cannot be mounted.

Please **bring your poster printed**, as it is not possible to print it locally. There are no printing services in Davos or at Zürich Airport, and the organisers can also not arrange for printing of posters.

### Poster Display

You can attach your poster to your poster board as soon as you have registered at the reception desk and have received your poster number and the materials to mount your poster. We will give you TESA or Scotch **Power Strips to mount** your poster, do **NOT** use nails, pins or other materials to attach your poster to the poster boards.

Posters need to be taken down by the author at the end of the conference, latest by **Friday, 28 February, 12:00**. Any posters not taken down by that time will be removed by the conference organisers.

**Please be sure to be available near your poster during the poster sessions. At least one author for each poster must be present at the poster during the poster session.**
