

Conference Agenda

Session Overview

Date: Sunday, 23/Feb/2020

<p>8:30am - 4:00pm</p>	<p>bioGENESIS SSC Meeting Location: Studio Chair: Luc De Meester, KU Leuven, Belgium Chair: Felix Forest, Royal Botanic Gardens, Kew, United Kingdom closed meeting, upon invitation only.</p>	<p>180W-1: Revisiting Biodiversity: Charting a research agenda for transformative change Location: Dischma Chair: Jonathan (Jon) Hutton, Luc Hoffmann Institute, Switzerland Chair: Sylvia Wood, Future Earth, Canada Chair: Nicole Kalas, ETH Zürich, Switzerland Closed workshop, upon invitation only.</p>	<p>150W: Biodiversity and human well-being: Coping with complexity by exploring a Multidimensional Biodiversity Index Framework to help reverse a global crisis Location: Schwarzhorn Chair: Carolina Soto-Navarro, United Nations Environment World Conservation Monitoring Centre, United Kingdom Chair: Adrian Dellecker, Luc Hoffmann Institute, Kingdom Chair: Michael Harfoot, UNEP WCMC, United Kingdom Chair: Neil Burgess, UNEP-WCMC,</p>
<p>9:30am - 4:00pm</p>	<p>Storytelling and Storyboarding Science Location: Seehorn A workshop offered by Dr. Samer Angelone, scientist, film maker and lead organiser of the Zurich Global Science Film Festival. Upon registration only.</p>		
<p>10:00am - 4:00pm</p>	<p>Early Career Day Location: Wisshorn Chair: Maria Alejandra Parreno, University of Zurich, Switzerland Chair: Elena Plekhanova, University of Zurich, Switzerland Chair: Ewa Agata Czyż, University of Zurich, Switzerland Chair: Rémi Willemin, UZH, Switzerland Upon registration only.</p>		
<p>4:00pm - 5:30pm</p>	<p>Plenary 0: Opening Plenary Location: Davos (2/3) Chair: Owen Petchey, University of Zurich, Switzerland Chair: Michael E. Schaepman, University of Zurich, Switzerland Sandra Díaz, National University of Cordoba, Argentina</p>		
<p>5:30pm - 7:00pm</p>	<p>Welcome Apéro / Ice Breaker</p>		

Date: Monday, 24/Feb/2020

8:30am - 10:00am	Plenary 1: Plenary Session 1 Location: Davos (2/3) Jens-Christian Svenning, Aarhus University Markku Oksanen, University of Eastern Finland					
8:30am - 6:00pm	bioGENESIS SSC Meeting Location: Studio Chair: Luc De Meester , KU Leuven, Belgium Chair: Felix Forest , Royal Botanic Gardens, Kew, United Kingdom closed meeting, upon invitation only.			180W-2: Revisiting Biodiversity: Charting a research agenda for transformative change Location: Dischma Chair: Jonathan (Jon) Hutton , Luc Hoffmann Institute, Switzerland Chair: Nicole Kalas , ETH Zürich, Switzerland		
10:00am - 10:30am	Coffee Break Location: Foyer A1			Coffee Break Location: Foyer A2		
10:30am - 12:30pm	192S-1: Remote Sensing for Biodiversity Monitoring I Location: Forum Chair: Claudia Roeoesli , University of Zurich, RSL, Switzerland Chair: Marc Paganini , European Space Agency ESA, Italy Chair: Gary N Geller , NASA / JPL, United States of America Chair: Michael E. Schaepman , University of Zurich, Switzerland	163S: The role of biomimicry in tackling biodiversity loss and public health challenges Location: Flüela Chair: Jas Pal Badyal FRS , Durham University, United Kingdom Chair: Paul Kersey , Kew Royal Botanic Gardens, United Kingdom Chair: Patrick Lewis , University of British Columbia, Canada Chair: Francesca Racioppi , World Health Organization, Chair: Paul Smith , Botanic Gardens Conservation International, United Kingdom Chair: Lana Sutherland , TEALEAVES, Canada	114S: Informally protected urban ecosystems: People, institutions and conservation opportunities Location: Sertig Chair: ALIYU BARAU , Bayero University Kano, Nigeria, Nigeria Chair: PEDI OBANI , United Nations University Institute for Natural Resources in Africa, Accra, Ghana	126S: Selecting relevant essential variables for monitoring mountain socio-ecological systems Location: Schwarzhorn Chair: Carolina Adler , Mountain Research Initiative, Switzerland Chair: Elisa Palazzi , CNR, Italy Chair: Davnah Payne , Global Mountain Biodiversity Assessment, Switzerland Chair: Roger G. Sayre , U.S. Geological Survey, United States of America Chair: Aino Kulonen , Mountain Research Initiative, Switzerland	158S: Assessment of biodiversity impacts from supply chains Location: Seehorn Chair: Alexandra Marques , European Commission - Joint Research Centre, Italy Chair: Serenella Sala , European Commission - Joint Research Centre, Italy	123S: Biodiversity and the multi-dimensional of ecological stability Location: Wisshorn Chair: Ian Donohue , Trinity College Dublin, Ireland Chair: Stuart Leonard Pimm , Duke University, United States of America Chair: Owen Petchey , University of Zurich, Switzerland Chair: Michel Loreau , CNRS Theoretical and Experimental Ecology Station, France Presentations will be followed by a 30 - minute discussion on how to best incorporate the multidimensionality of ecological stability into policy and management.
12:30pm - 2:00pm	139S: The icefree Arctic - seeking solutions for the global hotspot of climate change Location: Davos (2/3) Chair: Gabriela Schaepman-Strub , University of Zurich, Switzerland					
12:30pm - 2:15pm	Lunch Break Location: Foyer A1					
2:15pm - 3:45pm	Plenary 2: Plenary Session 2 Location: Davos (2/3) Pragati Sahni, University of New Delhi David Tilman, University of Minnesota					
2:15pm - 6:15pm	440W: RS-enabled EBV roadmap Location: Forum Chair: Claudia Roeoesli , University of Zurich, RSL, Switzerland Chair: Marc Paganini , European Space Agency ESA, Italy Chair: Michael E. Schaepman , University of Zurich, Switzerland			117W: Values and concepts debates chamber: busting the myths around green urban densification Location: Sertig Chair: Philipp LaHaela Walter , ICLEI - Local Governments for Sustainability - European Secretariat, Germany Chair: Daniela Rizzi , ICLEI Europe, Germany		
3:45pm - 4:15pm	Coffee Break Location: Foyer A1			Coffee Break Location: Foyer A2		
4:15pm - 6:15pm	156W: Inspired by biodiversity - designing biomimetic solutions to global challenges Location: Flüela Chair: Jas Pal Badyal FRS , Durham	154S: Light Pollution: Biodiversity and Ecosystem functioning in an illuminated world. Location: Schwarzhorn Chair: Eva Knop , University of Zürich /	157W: Assessment of biodiversity impacts due to global supply chains Location: Seehorn Chair: Alexandra Marques , European	102S: Resilience Management of ecological-economic systems Location: Wisshorn Chair: Luc Doyen , CNRS, France Chair: Martin Quaas , German Centre for		

University, United Kingdom Chair: Patrick Lewis , University of British Columbia, Canada Chair: Aoife MacNamara , Nova Scotia College of Art & Design, Chair: Daniel Mosquin , University of British Columbia, Canada Chair: Albert Shum , Microsoft,	Agroscope, Switzerland Chair: Franz Hölker , Leibniz-Institute of Freshwater Ecology and Inland Fisheries, Germany	Commission - Joint Research Centre, Italy Chair: Serenella Sala , European Commission - Joint Research Centre, Italy	Integrative Biodiversity Research (iDiv) Halle-Jena-Leipzig, Germany

6:30pm

-

8:30pm**One Tree, One Planet**Location: **Davos (2/3)****The Tree of Life: Defending the Biosphere.**

Pamela S. Soltis and Douglas E. Soltis, University of Florida

Date: Tuesday, 25/Feb/2020

8:30am - 10:00am	Plenary 3: Plenary Session 3 Location: Davos (2/3)						
	Andy Purvis, Museum of Natural History London Unai Pascual, Basque Centre for Climate Change						
10:00am - 10:30am	Coffee Break Location: Foyer A1			Coffee Break Location: Foyer A2			
10:30am - 12:30pm	209W: Tracing back biodiversity to the 19th century via text mining Location: Studio Chair: Christine Driller , Senckenberg Society for Nature Research, Germany Chair: Markus Koch , Senckenberg Society for Nature Research, Germany Chair: Giuseppe Abrami , Goethe University Frankfurt, Germany Chair: Manuel Stoeckel , Goethe-University Frankfurt, Germany Chair: Adrian Pachzelt , University Library Frankfurt, Germany Chair: Gerwin Kasperek , Goethe University Frankfurt, Germany	192S-2: Remote Sensing for Biodiversity Monitoring II Location: Dischma Chair: Claudia Roesli , University of Zurich, RSL, Switzerland Chair: Marc Paganini , European Space Agency ESA, Italy Chair: Gary N Geller , NASA / JPL, United States of America Chair: Michael E. Schaepman , University of Zurich, Switzerland	138W-1: Interaction Diversity: From Theory to Practice Location: Flüela Chair: Gianalberto Losapio , ETH Zurich, Switzerland Chair: Jacqueline Oehri , University of Zurich, Switzerland Chair: Jake Alexander , ETH Zurich, Switzerland Talks are followed by 35 minute discussion.	166S-1: Illuminating the black box Location: Sertig Chair: Helen Phillips , iDiv, Germany Chair: Léa Beaumelle , iDiv, Germany	238S: Mutualism and Biodiversity Location: Schwarzhorn Chair: Jordi Bascompte , University of Zurich, Switzerland Chair: Judith Bronstein , University of Arizona, United States of America Presentations will be followed by an in-depth discussion of the topic.	115S-1: Socio-economic and ecological implications and challenges of conserving biodiversity Location: Seehorn Chair: Sergio Rasmann , University of Neuchâtel, Switzerland Chair: Marco Moretti , Swiss Federal Research Institute WSL, Switzerland	
12:30pm - 2:15pm	Lunch Break Location: Foyer A1						
12:45pm - 2:15pm	Posters 1: Poster Session 1 Location: Hallway						
2:15pm - 3:45pm	Plenary 4: Plenary Session 4 Location: Davos (2/3)						
	Lenore Fahrig, Carleton University Odette Curtis, Renosterveld Conservation Trust						
2:15pm - 6:15pm	180W-3: Revisiting Biodiversity: Charting a research agenda for transformative change Location: Forum Chair: Jonathan (Jon) Hutton , Luc Hoffmann Institute, Switzerland Chair: Jaboury Ghazoul , ETH Zurich, Switzerland Chair: Sylvia Wood , Future Earth, Canada Chair: Nicole Kalas , ETH Zürich, Switzerland						
3:45pm - 4:15pm	Coffee Break Location: Foyer A1			Coffee Break Location: Foyer A2			
4:15pm - 6:15pm	657W: Getting published and communicating your work Location: Studio Chair: Marc Cadotte , University of Toronto Scarborough, Canada Chair: Erika Newton , British Ecological Society, United Kingdom	185S: The role of biodiversity in multi-functional landscapes Location: Dischma Chair: Margot Neyret , Senckenberg Biodiversity and Climate Research Centre, Germany Chair: Peter Manning ,	138W-2: Interaction Diversity: From Theory to Practice Location: Flüela Chair: Gianalberto Losapio , ETH Zurich, Switzerland Chair: Jacqueline Oehri , University of Zurich, Switzerland Chair: Jake Alexander , ETH	166S-2: Illuminating the black box Location: Sertig Chair: Helen Phillips , iDiv, Germany Chair: Léa Beaumelle , iDiv, Germany	129S: The role of biodiversity and ecosystem services in adapting to global change Location: Schwarzhorn Chair: Adrienne Grêt-Regamey , ETH Zürich, Switzerland Chair: Aino Kulonen , Mountain	115S-2: Socio-economic and ecological implications and challenges of conserving biodiversity Location: Seehorn Chair: Sergio Rasmann , University of Neuchâtel, Switzerland	169W: Which impact do networks for biodiversity really have? Location: Wisshorn Chair: Marianne Darbi , German Network-Forum for Biodiversity Research (NeFo) & Helmholtz Centre for Environmental Research UFZ, Germany

	<p>Senckenberg Research Institute and Natural History Museum - Frankfurt Am Main, Germany</p> <p>Talks will be followed by 30 minutes in-depth discussion.</p>	<p>Zurich, Switzerland</p> <p>Talks are followed by 40 minutes working group discussion and wrap up.</p>	<p>Research Initiative, Switzerland</p> <p>Chair: Andreas Heimann, CDE, University of Bern, Switzerland</p>	<p>Chair: Marco Moretti, Swiss Federal Research Institute WSL, Switzerland</p>	<p>Chair: Katrin Vohland, German Network Forum for Biodiversity Research (NeFo); Museum für Naturkunde Berlin (MfN) Leibniz Institut für Evolutions- und Biodiversitätsforschung, Chair: Nike Sommerwerk, Leibniz Research Alliance Biodiversity (LVB)/ Museum für Naturkunde Berlin, Germany</p> <p>Chair: Jorge Ventocilla, Belgian Biodiversity Platform – Royal Belgian Institute of Natural Sciences, Belgium</p> <p>Chair: Hilde Eggermont, Belgian Biodiversity Platform, Belgium</p> <p>Chair: Eva Spehn, Swiss Biodiversity Forum, Switzerland</p>
<p>7:00pm - 9:30pm</p>	<p>Film Screening Location: Davos (2/3)</p>				

Date: Wednesday, 26/Feb/2020

8:30am - 10:00am	Plenary 5: Plenary Session 5 Location: Davos (2/3) Emma Archer, University of Pretoria Eduardo Brondizio, Indiana University Bloomington					
10:00am - 10:30am	Coffee Break Location: Foyer A1			Coffee Break Location: Foyer A2		
10:30am - 12:30pm	176S-1: Ethics and Biodiversity Conservation Location: Dischma Chair: Anna Deplazes Zemp , University of Zurich, Switzerland Chair: Anna Wienhues , University of Zurich, Switzerland	120S-1: Aquatic Biodiversity - State and Challenges ahead Location: Flüela Chair: Rosetta Blackman , Eawag, Switzerland Chair: Ole Seehausen , Eawag and Institute of Ecology & Evolution, University of Bern, Switzerland Chair: Florian Altermatt , University of Zurich, Switzerland	178S-1: Using Earth Observations to understand changes in biodiversity and ecosystem function Location: Sertig Chair: Jeannine Cavender-Bares , University of Minnesota, United States of America	101S: Understanding cultural, ecosystem and environmental diversity across the world's mountains Location: Schwarzhorn Chair: Robert Marchant , University of York, United Kingdom Chair: Ricardo Grau , Instituto de Ecología Regional, CONICET-National University of Tucumán, CC 34 (4107) Yerba Buena, Tucumán, Argentine Republic Chair: Julia Klein , Colorado State University, Dept. Ecosystem Science & Sustainability, Campus Delivery 1476, Fort Collins, CO 80523 USA Chair: Aida Cuni-Sanchez , University of York, United Kingdom Chair: Christine Schmitt , Center for Development Research, University of Bonn, Genscherallee 3, D-53113 Bonn, Germany	190S: Integrated Pathways for Sustainable Biodiversity Futures Location: Seehorn Chair: Eva Spehn , Swiss Biodiversity Forum, Switzerland Chair: Andreas Obrecht , SDSN Switzerland, Switzerland Chair: Davnah Payne , Global Mountain Biodiversity Assessment, Switzerland Chair: Ariane Carole de Bremond , Global Land Programme, Switzerland Chair: Hannah Moersberger , Future Earth, France Chair: Gabriela Wuelser , SCNAT Sustainability Research Initiative, Switzerland	141S-1: Phylogenetic and genetic diversity Location: Wisshorn Chair: Luc De Meester , KU Leuven, Belgium Chair: Felix Forest , Royal Botanic Gardens, Kew, United Kingdom
12:30pm - 1:45pm	Lunch Break Location: Foyer A1					
1:30pm - 3:30pm	189DE: An Interactive House of Commons debate on Biodiversity change – From soils to waters, from myths to facts Location: Davos (2/3) Chair: Marten Winter , German Centre for Integrative Biodiversity Research (iDiv) Halle-Jena-Leipzig, Germany Chair: Susan Schädlich , University of Leipzig, Germany Chair: Michael Stang , Journalist, Germany			Posters 2: Poster Session 2 Location: Hallway		
2:00pm - 6:00pm	670W: Using social media as a scientist Location: Forum Chair: Isabella Sedivy , Schweizer Radio und Fernsehen SRF, Switzerland Chair: Sabrina Stettler , SRF Schweizer Radio und Fernsehen, Switzerland This workshop is offered by Isabella Sedivy, a biologist and journalist with the Swiss National Television. She is currently involved in the "Mission B – for more biodiversity" project in Switzerland. Reporting on biodiversity takes place on TV, radio, online and social media. "Mission B" also invites the public... 					
3:00pm - 6:00pm	155S: The Future of Remote Sensing of Biodiversity Location: Sertig Chair: Susan L. Ustin , University of California Davis, United States of America Chair: Margarita Huesca , University of California Davis, United States of America Chair: Maria Santos , University of Zurich, Switzerland Talks followed by panel discussion					
3:30pm - 4:00pm	Coffee Break Location: Foyer A1			Coffee Break Location: Foyer A2		
4:00pm -	003GS-1: Strategies for	176S-2: Ethics and Biodiversity	120S-2: Aquatic Biodiversity -	125W: Connecting the human	572S: Solution-oriented scenarios	141S-2: Phylogenetic and

6:00pm	<p>conservation of biodiversity and ecosystem services Location: Studio</p>	<p>Conservation Location: Dischma Chair: Anna Deplazes Zemp, University of Zurich, Switzerland Chair: Anna Wienhues, University of Zurich, Switzerland</p>	<p>State and Challenges ahead Location: Flüela Chair: Rosetta Blackman, Eawag, Switzerland Chair: Ole Seehausen, Eawag and Institute of Ecology & Evolution, University of Bern, Switzerland Chair: Florian Altermatt, University of Zurich, Switzerland</p>	<p>dimension and global marine ecosystem services Location: Schwarzhorn Chair: Andrea Belgrano, SIME, Sweden Chair: Sebastian VILLASANTE, University of Santiago de Compostela, Spain</p>	<p>to the loss and restore global biodiversity Location: Seehorn Chair: Rob Alkemade, Netherlands Environmental Assessment Agency, Netherlands, The Chair: Jelle Peter Hilbers, PBL, Netherlands, The</p>	<p>genetic diversity Location: Wisshorn Chair: Luc De Meester, KU Leuven, Belgium Chair: Felix Forest, Royal Botanic Gardens, Kew, United Kingdom</p>
7:00pm - 11:00pm	<p>Conference Dinner Location: Davos (2/3)</p>					

Date: Thursday, 27/Feb/2020

8:30am - 10:00am	Plenary 6: Plenary Session 6 Location: Davos (2/3) Rashid Sumaila, University of British Columbia Barend Erasmus, University of Pretoria							
10:00am - 10:30am	Coffee Break Location: Foyer A1				Coffee Break Location: Foyer A2			
10:30am - 12:30pm	184W: Knowledge Exchange in sustainable production Location: Studio Chair: LENNY MARTINEZ-MARTIN , 12Tree Finance GmbH, Germany	183DE: Panel discussion on new and disruptive approaches for biodiversity Location: Forum Chair: Kathrin Ludwig , Adelphi, Germany	004GS-1: People and Nature - Nature and People Location: Dischma	210S: Indigenous Knowledge in science-policy assessments and ecosystem function Location: Flüela Chair: Rodrigo Cámara Leret , University of Zurich, Switzerland Chair: Jordi Bascompte , University of Zurich, Switzerland	178S-2: Using Earth Observations to understand changes in biodiversity and ecosystem function Location: Sertig Chair: Jeannine Cavender-Bares , University of Minnesota, United States of America Talks followed by 40 minutes discussion	146S-1: Nature-based solutions for adapting and mitigating climate change Location: Schwarzhorn Chair: Nadia Castro , University of Zurich, Switzerland Chair: Veruska Muccione , University of Zurich, Switzerland Chair: Cornelia Krug , Universität Zürich, Switzerland Chair: Maria Santos , University of Zurich, Switzerland Chair: Christian Huggel , University of Zurich, Switzerland	165S: Drivers of success and failures in conservation management Location: Seehorn Chair: Jutta Beher , University of Melbourne, Australia	152S: Spatial Biodiversity Data Platforms: Current Resources and Future Opportunities Location: Wisshorn Chair: Davnah Payne , Global Mountain Biodiversity Assessment, Switzerland Chair: Eva Spehn , Swiss Biodiversity Forum, Switzerland Chair: Michelle Duong , Yale University, United States of America Chair: Walter Jetz , Yale University, United States of America
12:30pm - 2:00pm	Panel Davos-Kunming: Post2020 Biodiversity Framework - the role of science Location: Davos (2/3) Chair: Eva Spehn , Swiss Biodiversity Forum, Switzerland Chair: Cornelia Krug , Universität Zürich, Switzerland A solid framework is needed to halt biodiversity loss, and to achieve the 2050 vision of the Convention on Biological Diversity. The CBD Open-ended Working group on Post-2020 will meet in Rome to work towards the development of a robust post-2020 biodiversity framework. The World Biodiversity Forum in Davos, Switzerland at the same time will bring... 				Posters 3: Poster Session 3 Location: Hallway			
12:30pm - 2:15pm	Lunch Break Location: Foyer A1							
2:15pm - 3:45pm	Plenary 7: Plenary Session 7 Location: Davos (2/3) Workineh Kelbessa, Addis Ababa University Fabio Scarano, Federal University of Rio de Janeiro							
3:45pm - 4:15pm	Coffee Break Location: Foyer A1				Coffee Break Location: Foyer A2			
4:15pm - 6:15pm	003GS-2: Biodiversity in Production Systems Location: Studio	237S: Tropics with the highest biodiversity: Towards interdisciplinary studies Location: Forum	187S: Public Health and Biodiversity: Potential and Barriers to Integrated Policies	118S: Pastoralist Knowledge Practices and Management for	181S: Global Consequences of past and future biodiversity loss Location: Sertig	146S-2: Nature-based solutions for adapting and mitigating	165S-2: Drivers of success and failures in conservation management Location:	220S: Biodiversity in the Grisons - Threats and Opportunities in an alpine

	<p>Chair: Kentaro K. Shimizu, University of Zurich, Switzerland Chair: Michael O'Brien, Universidad Rey Juan Carlos, Spain</p>	<p>Location: Dischma Chair: Mollie Chapman, University of Zurich, Switzerland</p>	<p>Biodiversity Location: Flüela Chair: Serena Ferrari, FAO, Italy Chair: Jesús Garzón, Trashumancia y Naturaleza, Spain Chair: Luca Battaglini, University of Torino, Italy Chair: SANTIAGO JOSE CARRALERO BENITEZ, YURTA Association, Spain Chair: Ilse Köhler-Rollefson, League for Pastoral Peoples and Endogenous Livestock Development, Germany Chair: Simon Tagourdeau, CIRAD, France</p>	<p>Chair: Forest Isbell, University of Minnesota, United States of America</p>	<p>Climate change Location: Schwarzhorn Chair: Nadia Castro, University of Zurich, Switzerland Chair: Veruska Muccione, University of Zurich, Switzerland Chair: Cornelia Krug, Universität Zürich, Switzerland Chair: Maria Santos, University of Zurich, Switzerland Chair: Christian Huggel, University of Zurich, Switzerland</p>	<p>Seehorn Chair: Jutta Beher, University of Melbourne, Australia</p>	<p>environment Location: Wisshorn Chair: Armando Lenz, Pro Natura GR, Switzerland</p>
<p>6:30pm - 8:00pm</p>	<p>Public Lecture Location: Davos (2/3) Public Lecture, followed by Apéro</p>						

Date: Friday, 28/Feb/2020

8:15am - 9:45am	Plenary 8: Plenary Session 8 Location: Davos (2/3) Benis Egoh, University of California Irvine Gary Varner, Texas A&M University				
9:45am - 10:15am	Coffee Break Location: Foyer A1		Coffee Break Location: Foyer A2		
10:15am - 12:15pm	149DE: Strength and Challenges of a regional network Location: Studio Chair: KOKU SELOM AGBAVITO , ONG AVES (Association des Volontaires pour l'environnement Sain), Togolese Republic	003GS-3: Biodiversity in the Anthropocene Location: Dischma	106S: Making ecosystem service assessment operational in environmental management Location: Flüela Chair: Martin Pusch , Leibniz Institute of Freshwater Ecology and Inland Fisheries (IGB), Germany	135S: Enhancing biodiversity to support sustainable crop production Location: Seehorn Chair: Christian Schöb , ETH Zurich, Switzerland Chair: Johan Six , ETH Zurich, Switzerland Chair: Rob Brooker , The James Hutton Institute, United Kingdom	167W: Response and Effect of plant-trait diversity to climate and climate change Location: Wisshorn Chair: Kirsten Thonicke , Potsdam Institute for Climate Impact Research (PIK), Germany Chair: Boris Sakschewski , Potsdam Institute for Climate Impact Research (PIK), Telegrafenberg A31, Potsdam, Germany Chair: Jeremy Lichstein , Department of Biology, University of Florida Gainesville, FL 32611, United States of America Chair: David Schimel , JPL, United States of America Chair: Michael E. Schaepman , University of Zurich, Switzerland
12:15pm - 1:15pm	Closing: Closing Plenary Location: Davos (2/3) Chair: Michael E. Schaepman , University of Zurich, Switzerland Andrew Light, George Mason University and World Resources Institute
